**DECISION AND ORDER**

Nexus Energy Inc. filed an application on September 3, 2019 with the Ontario Energy Board (OEB), under section 60 of the *Ontario Energy Board Act, 1998* (OEB Act) for an electricity retailer licence. The licence would allow the applicant to retail electricity to large volume consumers in Ontario.

This Decision and Order is being issued by the Delegated Authority without a hearing pursuant to section 6(4) of the OEB Act.

After considering the application and assessing the applicant's technical capability, financial viability and conduct, the OEB finds that it is in the public interest to grant the application and issue an electricity retailer licence to Nexus Energy Inc.

**IT IS ORDERED THAT:**

1. The application for an electricity retailer licence (large volume consumers only) is granted, on such conditions as are contained in the attached licence.
