VIA COURIER & RESS FILING

Ms. Christine E. Long
Registrar and Board Secretary
Office of the Registrar
Ontario Energy Board
P.O. Box 2319

Toronto ON M4P 1E4

Dear Ms. Long:

**RE: Corporation of the Town of Marathon;
Ontario Energy Board File Number: EB-2018-0329**

We write on behalf of the Corporation of the Town of Marathon (“**Marathon**”) in its own capacity and as the representative of the Township of Manitouwadge, Township of Schreiber, Township of Terrace Bay and the Municipality of Wawa (together, the “**Applicants**”) in the above-noted proceeding and in connection with Long Lake #58 First Nation’s (“**LL#58FN**”) Application for Intervenor Status and Costs Eligibility dated November 19, 2019 (the “**Application**”).

We do not object to LL#58FN’s late Application on the conditions set out in its letter and Application to the Ontario Energy Board (the “**Board**”) dated November 19, 2019, namely: (1) that LL#58FN accepts the record as it exists as at November 19, 2019; and (2) that LL#58FN accepts the procedural schedule as set out in the Board’s Procedural Order No. 2 dated October 30, 2019 in this matter, including the deadline for the receipt of interrogatories.

With respect to LL#58FN’s stated interest in the proceeding and its scope of participation, we note that the Nipigon LNG undertaking, including the construction and operation of the LNG plant, the trucking of LNG, the construction of LNG depots for local storage and regasification of LNG, is separate and distinct from Marathon’s gas distribution undertaking. As such, only the impacts from Marathon’s undertaking, and not the impacts from the Nipigon LNG undertaking, are at issue in this proceeding.

Yours truly,
Dentons Canada LLP
