RE: EB-2018-0242 - Notice of intention of Save PDI Coalition to participate in the Oral Hearing in the matter of the sale of Peterborough Distribution Inc. to Hydro One.

Dear Ms. Walli,

In accordance with Procedural Order No. 6, representatives from the Save PDI Coalition is providing intention to participate in the Oral Hearing scheduled for December 2, 3, and 4.

The nature of our participation will be to represent the interests of ordinary citizens and ratepayers who opposed the sale by over 90% in two extensive telephone polls taken in 2016.

We will further protest the substantial harm that will be done to PDI customers including increased costs, decreased service levels, and loss of local control and accountability for it's public asset that will impede some of our municipal efforts to enforce the steps needed to reduce greenhouse gas emissions as represented in Peterborough's declaration of a Climate Emergency.
