Dear Ms. Cooledge:

**Re: Newmarket-Tay Power Distribution Ltd. (Newmarket-Tay Power)
Application to update cost allocation, Board File No. EB-2019-0231
Application for 2020 Rates, Board File No. EB-2019-0055**

Further to the Ontario Energy Board's (OEB) acknowledgment letters dated September 13, 2019 and November 15, 2019, the OEB has completed its preliminary review of Newmarket-Tay Power's applications and will commence the processing of the applications. The next steps will be communicated in due course.

To allow for the efficient processing of both applications, the OEB has decided that the applications will be heard together as a combined hearing, under Board File No. EB-2019-0055. The Board File No. EB-2019-0231 that was assigned to the cost allocation application has been discontinued and the evidence from that proceeding will be moved to the record of proceeding EB-2019-0055.

Please direct any questions relating to these applications to Andrew Frank, Advisor at 416-440-8105 or andrew.frank@oeb.ca.

Yours truly,

Original Signed By

Christine E. Long
Registrar and Board Secretary
