Dear Ms. Walli:

Re: EB-2018-0242/EB-2018-0270 – Hydro One – Peterborough/Orillia – MADDs Hearing

We are consultants to the Consumers Council of Canada (“Council”), a registered intervenor in the above referenced proceedings. We are giving the Ontario Energy Board notice of our intent to participate in the combined hearing beginning on December 2, 2019. The Council will focus its cross-examination on the following topic areas:

- The “no-harm” test;
- Long-term rate impacts for acquired and legacy customers; and
- Compliance with the OEB’s EB-2017-0049 Decision.

Yours truly,

Julie E. Girvan
