Dear Ms. Walli:

**Re: Algoma Power Inc. (“API”) Application for 2020 Distribution Rates (EB-2019-0019)
Draft Rate Order – Reply Submission**

In accordance with the OEB’s Decision and Order, dated October 17, 2019 (the “Decision”), intervenors and OEB staff were directed to file any comments on API’s draft rate order by November 21, 2019.

API is in receipt of OEB staff’s submission, which generally acknowledges that API’s draft rate order is consistent with the Decision. API did not receive any submissions from intervenors. Accordingly, API does not have any responses to comments on its draft rate order.

If you have any questions or require further information, please do not hesitate to contact me.

Yours truly,
