Dear Mr. Wong:

**Re: Request for Extension to File Argument-in-Chief
Corporation of the Town of Marathon (Town of Marathon)
North Shore LNG Project (Project)
Ontario Energy Board File Number: EB-2018-0329**

This letter is in response to your request dated December 9, 2019 for a one-day extension to December 11, 2019 for the Town of Marathon to file its argument-in-chief with the OEB and serve it on OEB staff and all intervenors. The Town of Marathon submitted that it does not expect that the granting of the extension will prejudice the ability of OEB staff and intervenors to file their submissions on January 6, 2020. The Town of Marathon also submitted that the granting of this extension will not necessitate any changes as to the overall procedural schedule.

The Town of Marathon's request for a one-day extension to December 11, 2019 to file its argument-in-chief is granted.

Yours truly,

Original Signed By

Christine E. Long
Registrar and Board Secretary
