Dear Ms. Walli:

**Re: Imperial Oil Limited Application Number EB-2019-007 for Leave to Construct –
Waterdown to Finch Project (the "Project")**

Please find enclosed two copies of a brief of documents the City of Toronto ("Toronto") anticipates referring to in its submissions, as well as an additional USB copy. Filing via RESS will follow.

Pursuant to Procedural Order 6, Toronto will be filing written submissions subsequent to Imperial Oil ("Imperial")'s Argument-in-Chief. As such, and given that Imperial has also advised that it will be filing updated consultation logs and information, Toronto reserves the right to file additional documents.

Toronto will make the brief available to the parties via a separate electronic file transfer.

Yours truly,

A handwritten signature in black ink, appearing to read "Nicholas Rolfe".
