Ms. Christine Long
Board Secretary
Ontario Energy Board
2300 Yonge Street, Suite 2700, PO Box 2319
Toronto, Ontario M4P 1E4

Dear Ms. Long:

Re: EB-2019-0271 Enbridge 2021 DSM Plan

Housing Services Corporation (HSC) is in receipt of Enbridge Gas Inc.'s November 27th filing for the above noted proceeding. HSC has also reviewed the December 9th correspondence filed by Mr. Elson on behalf of Environmental Defence. Based on our review of the aforementioned, it appears that providing a DSM extension without a hearing would not support the Minister's Directives to the Board, provincial policy objectives, or customer interests.

HSC requests intervenor status and costs eligibility in this proceeding as a non-profit organization with a provincial mandate to support Ontario's social housing sector, a key residential utility customer group. HSC has previously intervened on the Board's DSM proceedings; a copy of the current filing can be found on the Board's website at the following location:

<http://www.rds.oeb.ca/HPECMWebDrawer/Record/643922/File/document>

HSC seeks to participate in all aspects of this proceeding in order to represent the interests of the Ontario social housing sector and provide input to support the provision of equitable, cost-effective, and comprehensive DSM programming to this customer group.

Notice

HSC requests the further communications with respect to this matter be sent to
