Dear Ms. Wilson:

Re: EB-2019-0059 Application for 2020 Rates

The OEB provided a Partial Decision and Interim Rate Order and Interim Tariff of Rates and Charges in relation to the above-noted proceeding on December 12, 2019. On December 19, 2019, in its comments on the Interim Tariff of Rates and Charges, Oakville Hydro noted that it would be appropriate to indicate directly on the tariff that it has been approved on an interim basis.

The OEB agrees with Oakville Hydro and has added the words “Approved on an Interim Basis” to the header of the Tariff of Rates and Charges.

A copy of the updated Interim Tariff of Rates and Charges is enclosed with this letter.

Yours truly,
