Dear Mr. Ott:

**Re: Enbridge Gas Inc. (Enbridge Gas)  
January 1, 2020 Quarterly Rate Adjustment Mechanism (QRAM)  
Ontario Energy Board File Number EB-2019-0273**

In its Decision and Order issued on December 19, 2019, the OEB approved Enbridge Gas' application to change its rates as of January 1, 2020 on an interim basis. The OEB approved the rate schedule for the Union rate zones and set them out in Schedule D to the Decision and Order.

It has come to the OEB's attention that Schedule E was inadvertently duplicated in Schedule D.

Pursuant to its powers under Rule 41.02 of the OEB's *Rules of Practice and Procedure*, the OEB may at any time, without notice or a hearing of any kind, correct a typographical error, error of calculation or similar error made in its orders or decisions. The OEB considers this error to be typographical.

The revised Decision and Order is attached. This revised Decision and Order supersedes and replaces the previously issued Decision and Order. The Decision is not otherwise changed in any way.

Yours truly,
