ONTARIO ENERGY BOARD

IN THE MATTER OF the Ontario Energy Board Act,
1998, S.O. 1998, c.15, Schedule B, s.90 (1) thereof;

AND IN THE MATTER OF the Ontario Energy Board
Act, 1998, S.O. 1998, c.15, Schedule B, s.36 thereof;

AND IN THE MATTER OF an Application by
Enbridge Gas Inc. for an Order or Orders for
approval of Enbridge Gas Inc. to construct natural
gas pipelines and ancillary facilities required to serve
the community of Saugeen First Nation.

ENBRIDGE GAS INC.

1. Enbridge Gas Inc. (the “Applicant” or “Enbridge Gas”) is a business corporation under the laws of the province of Ontario.
2. Union Gas Limited (“Union Gas”) and Enbridge Gas Distribution amalgamated effective January 1, 2019 to become Enbridge Gas. To the extent that there are any references to Union Gas in the Application, it is assumed to be Enbridge Gas.
3. The Community Expansion Project subject to this Application is in response to the Ontario Energy Board’s (“the Board”) initiative to address the Ontario government’s desire to expand natural gas distribution systems to communities that currently do not have access to natural gas. The parameters of Enbridge Gas’ proposal are designed to meet the minimum economic feasibility criteria as designed in EB-2016-0004, the Board’s Generic Community Expansion proceeding.

4. This Application will allow Enbridge Gas to construct natural gas pipelines and ancillary facilities required to serve the community of Saugeen First Nation.
5. Attached to this Application is a map showing the general location of the proposed pipeline and associated facilities and the municipalities, and highways through, under, over, upon or across which the pipeline will pass.
6. Enbridge Gas requests that this Application proceed by way of written hearing in English.
7. Enbridge Gas hereby applies to the Board pursuant to the *Ontario Energy Board Act* ("the Act"), for an Order or Orders granting:
 - (i) Pursuant to Section 90 (1) of the Act, granting leave to construct approval for the natural gas pipelines and ancillary; and
 - (ii) Pursuant to Section 36 of the Act approval of a System Expansion Surcharge ("SES") rate.
8. Enbridge Gas further applies to the Board for all necessary Orders and directions concerning pre-hearing and hearing procedures for the determination of this Application.
9. The parties affected by this Application are the owners of lands, government agencies and municipalities over which the pipeline will be constructed, and Enbridge Gas' distribution customers with respect to quality of service and security of supply. The persons affected by this Application are the customers resident or located in the Municipalities, the First Nation Reserves and Métis organizations served by Enbridge Gas, together with those to whom Enbridge Gas sells gas, or on whose behalf Enbridge Gas distributes, transmits or stores gas. It is impractical to set out in this Application the names and addresses of such persons because they are too numerous.

10. Enbridge Gas requests that all documents in relation to the Application and its supporting evidence, including the responsive comments of any interested party, be served on Enbridge Gas and its counsel as follows:
