Dear Ms. Walli:

**Re: Vulnerable Energy Consumers Coalition (VECC) – Request for  
Intervenor Status**

VECC's Notice of Intervention was received by the Ontario Energy Board (OEB) on January 13, 2020. This significantly surpassed the OEB imposed deadline of December 16, 2019 as documented and approved in the OEB Notice.

To protect the best interests of E.L.K. customers, E.L.K. requests that both the intervenor status and cost eligibility request not proceed.
