**DECISION AND ORDER**

ECNG Energy L.P. filed two separate applications on November 6, 2019, with the Ontario Energy Board (OEB), pursuant to section 50 of the *Ontario Energy Board Act* (OEB Act), to renew its agent only gas marketer licence GM-2014-0341, and pursuant to section 60 of the OEB Act to renew its agent only electricity retailer licence ER-2014-0340. Both licences are set to expire on March 11, 2020. The OEB combined the applications into one proceeding, pursuant to section 21(5) of the OEB Act.

This Decision and Order is being issued by the Delegated Authority without a hearing pursuant to section 6(4) of the OEB Act.

After considering the applications and assessing the applicant's technical capability, financial viability and conduct, the OEB finds that it is in the public interest to grant the applications and issue an agent only gas marketer licence and an agent only electricity retailer licence to ECNG Energy L.P.

**IT IS ORDERED THAT:**

1. The application for an agent only gas marketer licence is granted, on such conditions as are contained in the attached licence.
2. The application for an agent only electricity retailer licence is granted, on such conditions as are contained in the attached licence.
