Dear Ms. Long:

Re: EB-2018-0319 – Enbridge Gas Inc. (EG) – Open Bill Access (OBA) Services.

Vista Credit Corp. (VISTA), Corrections to IRRs filed January 24, 2020.

Pursuant to Procedural Order No. 9, VISTA filed its interrogatory responses (IRRs) on January 24, 2020. Upon subsequent review of these responses we noticed two errors. These errors were not in the substance of VISTA's IRRs, but rather in certain cross-references. Accordingly, and for ease of reference, we are re-filing with this letter a full set of VISTA's IRRs, with these errors corrected.

In particular;

1. In IRR EP-2 reference to another IRR has been corrected, as highlighted in the version filed today. (The previous version erroneously referenced IRR EP-1, and that reference has now been corrected to VECC-1.)
2. The contracts related to the example cases included in VISTA's evidence were requested by Energy Probe in Interrogatory EP-4, but were initially and erroneously attached to IRR EP-1. In the version filed today they are correctly attached to IRR EP-4 where they are referenced, and the header of the attachment has been adjusted accordingly.

This corrected version of the IRRs should preclude any future confusion, and we apologize for any interim confusion that our errors may have caused.

Yours truly,

Ian A. Mondrow
