Dear Mr. Brewer:

**Re: PUC Distribution Inc. (PUC Distribution)
Application for Rates
Ontario Energy Board File Number: EB-2018-0219**

This letter is in response to your letter to the Ontario Energy Board (OEB) dated January 31, 2020, requesting an extension of time to file an amended 2019 ICM application.

PUC Distribution advised that, due to unexpected staffing changes which have impeded preparation of the amended application and procurement of an EPC contractor, PUC Distribution is unable to file an amended application at this time. PUC Distribution advised that it is making its best effort to prepare its amended application.

The OEB will continue to hold the application in abeyance until PUC Distribution files an amended application with the OEB.

Yours truly,
