Dear Ms. Long:

**RE: Association of Major Power Consumers of Ontario (“AMPCO”) – Motion to Stay and Application to Review amendments to the market rules (the “Market Rule Amendments”) made by the Independent Electricity System Operator
Board File No.: EB-2019-0242
Cost Claim of The Association of Power Producers of Ontario (“APPrO”)**

Please find enclosed the Cost Claim (together with attached invoices and receipts) submitted by APPrO in relation to the above-noted proceedings.

APPrO participated responsibly in this proceeding. Specifically, with regard to AMPCO’s Motion to Stay, APPrO filed concise submissions focused on the critical elements of the test established by section 33(8) of the *Electricity Act, 1998*. With regard to AMPCO’s Application, APPrO posed targeted interrogatories, participated meaningfully in cross-examination and filed a summary of closing submissions, which narrowly addressed the critical issue of the insufficient evidentiary record.

This proceeding involved complex legal issues regarding the Motion to Stay and the effect of the Market Rule Amendments. Due to its complexity, time was used for research and preparation of oral argument. APPrO made efforts to cost-effectively prepare its written submissions, including by using an articling student as much as possible. APPrO also made considerable efforts to co-operate with other parties on issues of common concern. Finally, APPrO made significant efforts to ensure that its participation in the process was not unduly repetitive of other parties and was focused on material issues.

APPrO has at all times complied with the Board’s orders, rules, codes, guidelines, filing requirements, the Board’s Rules of Practice and Procedure and the Board’s Practice Direction on Costs Awards, and with all directions of the Board. Accordingly, APPrO

respectfully requests that the Board confirm that APPrO will be permitted to recover its costs as claimed.

Yours very truly,

A handwritten signature in dark ink, appearing to read "Evan J. Barz". The signature is fluid and cursive, with the first name "Evan" and last name "Barz" clearly distinguishable.
