February 20, 2020

DECISION AND ORDER

Early Bird Power, LLC (Early Bird) filed an application on September 24, 2019, with the Ontario Energy Board (OEB) pursuant to section 50 of the *Ontario Energy Board Act, 1998* (OEB Act), for a gas marketer licence. The granting of this licence would enable Early Bird to act as an agent or broker for natural gas in Ontario.

This Decision and Order is being issued by the Delegated Authority pursuant to Section 6 of the OEB Act. The Delegated Authority has considered the application without holding a hearing pursuant to section 6(4) of the OEB Act.

After considering the application, the OEB finds that it is in the public interest to issue the gas marketer licence to Early Bird Power, LLC. This licence is granted without prejudice with regard to any future compliance actions.

IT IS ORDERED THAT:

1. The application for a gas marketer licence (agent only) is granted, on such conditions as are contained in the attached licence.
