Re: Board File No. EB-2019-0037 – 2020 Cost of Service Application
Greater Sudbury Hydro Inc. – Licence No. ED-2002-0559

Dear Ms. Long:

This letter is to inform the Board that while Procedural Order 1 indicates that Greater Sudbury Hydro Inc (GSHi) is to file responses to written interrogatories by March 2nd, 2020, GSHi is not in a position to do so. GSHi has dedicated a team to responding to these interrogatories and is working as quickly as possible to file the response. However, responding to the volume of interrogatories received is not, it appears to us, achievable by March 2nd, 2020.

Accordingly, GSHi is formally requesting an extension to file its interrogatory responses; based on our current progress we would suggest that an extension to March 10th, 2020 should be sufficient. We can advise that the additional time would also help GSHi provide updated 2019 actual data (on an unaudited basis) with our interrogatory responses wherever possible. It is our hope that this length of extension can be accommodated with the existing schedule, such that the settlement conference dates that have been set aside by the Board and the parties will not need to be rescheduled.

Should you require anything further, please do not hesitate to contact the undersigned.

Sincerely,
