Dear Ms. MacKinnon:

**Re: Niagara Reinforcement Limited Partnership (NRLP)
Application for 2020-2024 Transmission Revenue Cap Incentive Rate-Setting
Ontario Energy Board File Number: EB-2018-0275**

Procedural Order No. 2 established that a settlement conference among the parties would take place on February 12, 2020, with any settlement proposal arising from the settlement conference to be filed with the OEB on or before February 28, 2020.

On February 28, 2020, NRLP filed a letter from Mr. Frank D'Andrea of Hydro One Networks Inc. requesting that the OEB approve an extension of the deadline for the filing of the settlement proposal to March 6, 2020.

The OEB approves NRLP's request.

Any questions relating to this letter should be directed to Andrew Bishop at Andrew.Bishop@oeb.ca or at 416-440-8108.

Yours truly,
