Dear Mr. Shepherd:

**RE: Union Gas Limited and Enbridge Gas Distribution Inc.
2008 Rates Application
Board File Nos.: EB-2007-0606 and EB-2007-0615**

The Board is in receipt of your letter dated June 9, 2008 seeking to adduce new evidence in the above noted proceeding.

As you are aware, the evidentiary portion of this hearing is closed. The deadline for the filing of intervenor evidence was March 14, 2008. The oral hearing, which included oral argument, was completed on April 15, 2008. The School Energy Coalition filed its final argument in writing on April 14, 2008.

The Board is not prepared to consider a request to accept new evidence at this late stage without the proper procedure being followed. If you wish to have this material considered by the panel, you must seek to have it introduced into the record by way of a proper motion. Any motion must be served on all other parties, and should include a factum outlining the facts and law you will be relying upon. Unless and until such a motion is brought before the Board, the panel will give no consideration to the attachments to your letter.

Yours truly,
