Dear Ms. Walli:

Re: EB-2018-0165, Toronto Hydro-Electric System Limited ("Toronto Hydro"), 2020-2024 Custom Incentive Rate-setting ("Custom IR") Application – Request for Extension re Cost Claims

The OEB's Decision and Rate Order dated February 20, 2020 directed intervenors to submit their cost claims by March 5, 2020, and Toronto Hydro to file any cost claims objections by March 12, 2020. Several intervenors filed their cost claims after the March 5 deadline, including one intervenor who filed a claim this afternoon. In order to conduct a full review of the claims and, if necessary, prepare written submissions, Toronto Hydro requests an extension to file any objections by March 18, 2020. Should intervenors wish to reply to Toronto Hydro's objection(s), if any are filed, Toronto Hydro would support a corresponding extension of their deadline to March 25, 2020.

Please do not hesitate to contact me with any questions or concerns.

Respectfully,
