**Re: Intervenor Annual Filing – Consumers Council of Canada**

The Consumers Council of Canada (“Council”) regularly intervenes in Ontario Energy Board proceedings and consultation processes. Pursuant to the Ontario Energy Board (“Board”) Rules of Practice and Procedure and Practice Directions governing Board proceedings, intervenors are required to file, at least annually, information regarding its organization including its mandate, objectives, membership, and programs and activities it carries out. Please find attached the required information as it relates to the Council.

Please feel free to contact me if you require any further information.
