Notice to all parties in all active Ontario Energy Board (OEB) proceedings

Although the OEB's physical office is closed on account of the COVID-19 pandemic, we are continuing our work and continuing to process all active applications. As such, please note that, until changed by the OEB, all filing deadlines established through our Procedural Orders remain in effect.

The OEB appreciates that many workplaces have been disrupted by steps being taken in response to the COVID-19 situation. If any party requires an extension to a current procedural deadline, please file a request with the OEB.

As previously announced, the OEB has made a number of operational changes regarding the scheduling or format of events in ongoing proceedings (such as postponing all oral hearings and in-person meetings and reformatting events such as settlement conferences as teleconferences). Further information on how the OEB is operating during the COVID-19 pandemic can be found [here](#).

Yours truly,

Original Signed By

Christine E. Long
Registrar and Board Secretary
