Dear Mr. Poch:

**Re: Enbridge Gas Inc. (Enbridge Gas)  
Application for construct natural gas pipeline and associated  
facilities in the City of Hamilton  
Ontario Energy Board File Number: EB-2019-0159**

By letter dated March 25, 2020 Green Energy Coalition (GEC) and Environmental Defence advised of a partial delay in the filing of its interrogatories which are due by March 27, 2020 and requested an extension to April 3, 2020. According to GEC and Environmental Defence, the extension is needed due to work constraints amid the COVID -19 situation. However, GEC plans to file its initial set of interrogatories by March 27, 2020.

The OEB has considered GEC and Environmental Defence's request and has decided to grant the extension to all parties. In addition, the OEB also extends the date for Enbridge Gas to file its interrogatory responses by one week from April 20, 2020 to April 27, 2020, if required.

Yours truly,
