Dear Ms Walli:

Re: **Board File No. EB-2006-0034**
Notice of Intervention of Ontario Power Generation Inc.

Please find attached Ontario Power Generation Inc.'s Notice of Intervention in Board Proceeding EB-2006-0034. This proceeding deals with an application by Enbridge Gas Distribution Inc. for an order of the Board approving or fixing rates for the sale, distribution, transmission and storage of natural gas, effective January 1, 2007.

As a major gas consumer in the Province, and as a party with an ownership interest in a potential future gas-fired electricity generating station that would be an Enbridge customer, OPG has an interest in this proceeding.

If there are any questions with respect to this intervention, please do not hesitate to contact me at (416) 592-5419.

Yours truly,

Barbara Reuber
