File No. T1020395

Dear Ms. Long:

**Re: EB-2019-0194 – Enbridge Gas Inc. (EG) 2020 Rates Application.**

**Industrial Gas Users Association (IGUA) – Extension to File Argument.**

We have reviewed EG's letter of even date requesting a three-week period within which to file reply argument in this proceeding from the date for filing of intervenor arguments. EG also indicates that it would not object to a modest extension to the current April 1st deadline for intervenors and Board Staff to file their arguments.

On behalf of IGUA, in the current circumstances, we would benefit from an extension within which to file IGUA's argument. We believe that a one-week extension would assist, without unduly delaying the progress of this matter. We would appreciate the Board's consideration of this request. We have no objection to EG's request for a longer period of time within which to file its reply argument.

Yours truly,

Ian A. Mondrow
