Dear Ms. Long:

RE: EB-2019-0194, Enbridge Gas Inc., Application for Natural Gas Distribution Rates and Other Charges Effective January 1, 2020 - Extension Request to File Submissions

The Quinte Manufacturers Association ("QMA") has reviewed the letter submitted by Enbridge Gas Inc. ("EGI") to the Board dated March 30, 2020 concerning their request to extend the due date to file reply argument in the above-noted proceeding in light of the current challenges we are all facing. The QMA does not object to EGI's request.

In their letter, EGI also indicates that it would not object to a "modest extension" to the April 1st date for intervenors to file submissions. The QMA would appreciate an extension to file its submissions and respectfully asks the Board to consider this request.

Sincerely,

Scott Roodvoets
