

At the time of the meeting click on the link below

[Join meeting](#)

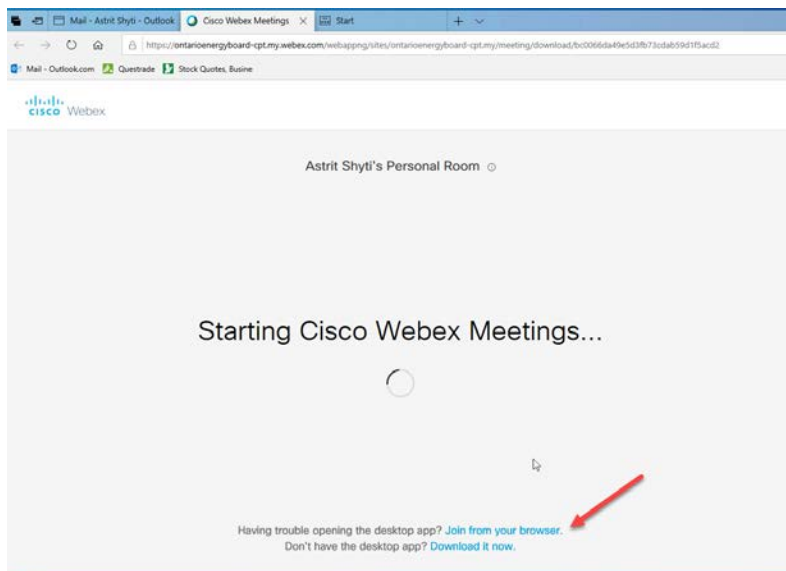

During the presentation we will mute all the participants.

To ask questions use the chat feature. We encourage you to use chat as we hope to avoid multiple participants asking question through audio at the same time. Address questions to everyone. You can ask questions via audio by unmuting yourself.

[Important \(read before joining the meeting\)](#)

Please install Cisco WebEX to attend this meeting

If you don't have Cisco WebEX you can attend using a browser (we recommend installing the client)

This meeting will use audio through the PC. You can attend this meeting using a smartphone or tablet.

If you are having problems, contact your IT.
