Re: **OEB Webinar Invitation**

The OEB is holding a webinar for utilities on **Wednesday April 8, 2020 from 2:00 pm to 4:00pm**. The purpose of the webinar is provide a forum in which OEB staff can address questions that utilities have regarding the correspondence it has issued regarding the COVID-19 emergency. OEB staff will provide a brief presentation covering each of the items addressed in its correspondence followed by a question and answer period. The OEB will post and email all utilities with a copy of the presentation prior to the webinar.

Due to technology constraints, **participation is limited to two representatives from each utility**. To ensure all utilities that wish to participate are able to, the OEB is asking all utilities to abide by this requirement. The OEB will post the questions and answers following the presentation on the OEB's website after the webinar.

Details for the webinar for how to login to the webinar are attached.

Yours truly,
