Dear Ms. Long:

**Re: Enbridge Gas Inc. (Enbridge Gas) Ontario Energy Board File : EB-2020-0105 Kimball-Colinville and Payne Well Drilling Project (Project)**

On April 9, 2020 Enbridge Gas filed an application for the above noted Project. In that application at Exhibit F, Tab 1, Schedule 1, Enbridge Gas indicated that at the time of filing the application it was in negotiations with a third party farmer in respect of the use of lands that Enbridge Gas leases from that third party farmer. These negotiations related to the use of land for the proposed vertical well, UP 24.

Enbridge Gas is providing this letter to the Ontario Energy Board (Board) in order to inform the Board that the Letter of Acknowledgement and the Pipeline Easement Agreement have been executed by Enbridge Gas and the third party farmer.
