Pacific Economic Group Research's Declaration and Undertaking Forms and Un-redacted Documents Request

Dear Ms. Walli,

Attached are the Declaration and Undertaking forms for Pacific Economics Group Research ("PEG"), consultants to the Ontario Energy Board.

Should the Board and Hydro Ottawa accept our filing, we request that Hydro Ottawa provide PEG consultants with un-redacted copies of the documents for which it is seeking confidential treatment, the working papers that support the Economic Benchmarking Study of Hydro Ottawa's Total Cost and Reliability prepared by Clearspring Energy Advisors ("Clearspring") and submitted as Attachment 1-1-12(A) in Hydro Ottawa's Custom IR Application.

Respectfully submitted on behalf of PEG Research.

Sincerely,

Mark N. Lowry, Ph.D.
