Re: Board File No. EB-2019-0037 – 2020 Cost of Service Application  
Greater Sudbury Hydro Inc. – Licence No. ED-2002-0559

Dear Ms. Long:

We are writing on behalf of the parties in the above noted proceeding to advise the Board that we have reached a complete settlement of all the issues. Please find attached a Settlement Proposal including attachments, along with a package of additional responses from GSHi to questions posed by intervenors and Board staff during the course of the settlement process that the parties wish to add to the record. We believe that, if the Settlement Proposal is accepted by the Board, the material provided in this filing is sufficient to allow the Board to issue a Decision and Rate Order without the need for the submission of a draft order and further review process.

The parties wish to highlight for the Board that in coming to a complete settlement the parties turned their minds to the possible impacts that the COVID-19 pandemic may have on both GSHi and its customers, and as a result included a section in the Settlement Proposal titled "Impact of the COVID-19 Pandemic" starting at page 10.

Should you require anything further, please do not hesitate to contact the undersigned.

Sincerely,
