RE: Postponement of May 1, 2020 Distribution Rates

Dear Ms. Long:

On December 12, 2019, the Board issued its Decision and Rate Order for Niagara Peninsula Energy Inc.'s ("NPEI's") 2020 IRM Rate Application (EB-2019-0054), for rates effective May 1, 2020.

On April 16, 2020, the Board issued its letter *Re: Approach to Incentive Rate-setting Decisions for May 1, 2020 Rates*, which provides the option for distributors to postpone the changes in rates to November 1, 2020, due to the uncertainty regarding the severity and duration of the COVID-19 pandemic.

The letter indicates that each distributor is required to notify the Board of its intentions with respect to the postponement of the May 1, 2020 change by April 23, 2020.

In accordance with the Board's letter, please be advised that NPEI intends to postpone the implementation of its May 1, 2020 rates to November 1, 2020.

Please contact myself should anything further be required.

Yours truly,
NIAGARA PENINSULA ENERGY INC.
