**Re: 2020 Price Cap IR Rates Application – Postponement of May 1, 2020 Rate
Board File No.: EB-2019-0030**

Dear Ms. Walli,

Entegrus Powerlines Inc. (“Entegrus”) has reviewed the Board’s April 16, 2020 letter entitled “*Approach to Incentive Rate-setting Decisions for May 1, 2020 Rates*”, as well as the April 17, 2020 letter entitled “*Initial Implementation Guidance to Incentive Rate-setting Decisions for May 1, 2020 Rates for Postponing Distributors*”.

Entegrus has determined that due to the uncertainty regarding the severity and duration of the COVID-19 emergency, it is in the best interest of its customers to postpone the May 1, 2020 rate implementation. Entegrus notes that the postponement will not impact the continuity and reliability of service. Accordingly, Entegrus respectfully requests to postpone the May 1, 2020 rates implementation for its Entegrus-Main rate zone until November 1, 2020.

If you have any further questions, please do not hesitate to contact me at (519) 352-6300 extension 243 or via email at regulatory@entegrus.com.

Sincerely,
