Dear Ms. Walli,

**Re: Electricity Distribution License ED-2003-0004  
2020 IRM Application for Electricity Distribution Rates (EB-2019-0023)**

---

The Ontario Energy Board (the "Board") issued its Decision and Rate Order (the "Decision") in the above-referenced proceeding on April 16, 2020. Burlington Hydro Inc. ("Burlington Hydro") has reviewed the models and Tariff of Rates and Charges set out in Schedule A of the Decision and Rate Order for accuracy and completeness.

Burlington Hydro confirms that the Tariff of Rates and Charges is complete and accurate in accordance with the Decision.

In the Decision, and in light of the COVID-19 emergency, the Board provided Burlington Hydro the option of postponing the implementation of its new rates until November 1, 2020. Burlington Hydro elects not to postpone the implementation of its new rates to November 1, 2020 and therefore the Tariff of Rates and Charges is final effective May 1, 2020.

Yours truly,
