Dear Ms. Long:

**Re: Enbridge Gas Inc. (“Enbridge Gas”) 2021 Dawn Parkway Expansion Project
Leave to Construct Application
Board File No. EB-2019-0159**

We are counsel to The Association of Power Producers of Ontario (“APPrO”).

APPrO has reviewed the letter filed by Enbridge Gas’ legal counsel on May 4, 2020 requesting an adjournment of the above proceeding in order for Enbridge Gas to gain clarity on any impacts the COVID-19 pandemic may have on the Dawn Parkway Expansion Project. Enbridge Gas proposed in the said letter that it will report to the OEB as soon as possible and in any event within six months of the adjournment on whether Enbridge Gas has clarity to proceed with the application as filed and respond to interrogatories.

APPrO supports Enbridge Gas’ request for adjournment and the condition to report to the OEB as proposed.

With regards to intervenors’ costs incurred to-date, APPrO recommends that the Board should consider providing for interim cost awards as part of the adjournment.

Yours very truly,

BORDEN LADNER GERVAIS LLP
