Dear Ms. Long:

EB-2019-0159 - Enbridge Gas Inc. – 2021 Dawn Parkway Expansion Application – Request for Adjournment

On May 4, 2020 Enbridge Gas Inc. (“EGI”) requested that the Ontario Energy Board temporarily adjourn the above-referenced proceeding until there is greater clarity as to any impact on the project arising from the COVID-19 pandemic. EGI requested that as a condition of the adjournment, it will report to the OEB as soon as reasonably possible and certainly within 6 months of the date of the adjournment as to whether EGI has sufficient clarity to proceed with the application as filed, including responses to interrogatories already asked and any further interrogatories arising from any updated evidence.

The Council is supportive of EGI’s request and does not believe EGI should be required to file interrogatories for a project that may be changed, deferred or not undertaken at all. EGI has committed to keep the OEB informed as to whether it has sufficient clarity to proceed with the application as filed.

Yours truly,

Julie E. Girvan
