May 14, 2020

DECISION AND ORDER

Shell Energy North America (Canada) Inc. filed an application on February 25, 2020, with the Ontario Energy Board (OEB) pursuant to section 60 of the *Ontario Energy Board Act* (OEB Act), for a renewal of its electricity retailer licence ER-2014-0383. The licence renewal would allow the applicant to continue retailing electricity to large volume consumers in Ontario.

This Decision and Order is being issued by the Delegated Authority without a hearing pursuant to section 6(4) of the OEB Act.

After considering the application and assessing the applicant's technical capability, financial viability and conduct, the OEB finds that it is in the public interest to grant the application and issue an electricity retailer licence to Shell Energy North America (Canada) Inc.

IT IS ORDERED THAT:

1. The application for an electricity retailer licence is granted, on such conditions as are contained in the attached licence.
