Board File Number: EB-2020-0133

I am writing on behalf of the Ontario Energy Association (OEA) to indicate the OEA's intent to participate in the Ontario Energy Board's consultation on a deferral account relating to impacts arising from the COVID-19 emergency in the electricity and natural gas sectors. The OEA will make every effort to coordinate our participation in this consultation with groups representing the same interests.

The OEA will not be seeking cost awards.

Sincerely,
