Dear Mr. Bortolin:

Re: Lagasco Inc.
Application for determination of natural gas pipeline classification
Ontario Energy Board File Number: EB-2019-0166

This letter acknowledges receipt on May 25, 2020 of pre-filed evidence submitted by Lagasco Inc. as part of its application for an order determining whether certain natural gas pipelines are transmission pipelines pursuant to the Assessment Act. The application was filed on June 7, 2019 but did not contain the pre-filed evidence. The Ontario Energy Board (OEB) placed the application in abeyance on July 26, 2019. The OEB is currently conducting a preliminary review of the application and evidence. Upon completion of this review the OEB will communicate the next steps in the process.

The OEB has assigned File Number **EB-2019-0166** to this matter. Please refer to this file number in all future correspondence to the OEB regarding this matter. All information related to this matter must be filed with the Board Secretary at boardsec@oeb.ca.

Please direct any questions relating to this application to the Case Manager, Ritchieo Murray, Project Advisor, at 416-454-8837 (mobile) or ritchie.murray@oeb.ca.

Yours truly,
