Dear Ms. Walli,

Re: EB-2020-0007 Burlington Hydro Inc. Cost of Service - Extension of Filing Deadline

Burlington Hydro Inc. (BHI) is in the process of preparing its Cost of Service application (EB-2020-0007) for rates effective May 1, 2021. BHI was on target to submit this application for the filing deadline of August 31, 2020. However, due to the current COVID-19 pandemic, BHI has had to reallocate resources to address key customer, operational and staffing issues.

As a result, BHI does not anticipate being able to meet the filing date of August 31, 2020, and requests a filing extension to November 27, 2020. BHI still intends to file for a rate effective date of May 1, 2021.

Yours truly,
