Dear Mr. McKenzie:

Re: **2008 Electricity Distribution Rate Application of Horizon Utilities Corporation
Board File Nos. EB-2007-0697**

In a letter dated June 20, 2008, Horizon Utilities Corporation ("Horizon") informed the Board that it will file its argument-in-chief on June 23, 2008 and not on June 20 as per Procedural Order No. 4. Horizon cited an ongoing labour disruption for this delay.

Horizon proposed that intervenors should be allowed until Monday, June 30, 2008 to file their submissions. In the letter, Horizon also indicated that it expects to file its reply argument on Friday, July 11, 2008 in place of July 9 as noted in the oral hearing.

The Board has considered Horizon's request and agrees to the proposed timelines as noted below:

1. Horizon will file its argument-in-chief on or before Monday, June 23, 2008
2. Parties to file submission on all issues on or before Monday, June 30, 2008
3. Horizon's reply argument to be filed on or before Friday, July 11, 2008.

Yours truly,
