Dear Ms. Long:

**Re: EB-2019-0183: Enbridge Gas Inc. (EGI) Owen Sound Reinforcement Project Leave to Construct and Rate M17 Application.**

**Industrial Gas Users Association (IGUA) Statement of Costs.**

Further to Decision and Order dated April 9, 2020 for the captioned proceeding, enclosed, on behalf of IGUA, please find a Statement of Costs.

As we have noted in the past, the Board's form for *Affidavit and Summary of Fees and Disbursements* provides limited options for categorization of time. While we have recorded time reflected in the enclosed Statement of Costs as "*Hearing Preparation*", in order to inform the Board's assessment of this claim for costs we wish to highlight that the time spent included, *inter alia*;

- Work on the initial application for the Owen Sound Reinforcement leave to construct and approval of the initially proposed M17 Rate, including reviewing of EGI's filing, assessment of IGUA's members' interests in the matter, briefing IGUA and its affected members and taking instructions, and monitoring of the subsequent withdrawal of the application by EGI. (Time spent on the initial, withdrawn application and included in the enclosed Statement of Costs totalled 10.7 hours or \$3,485 worth of time (prior to application of HST).
- Reviewing the reinstituted application prefiled materials, the subsequently filed evidence from EPCOR, and all interrogatory responses, and briefing of IGUA and its affected members to review issues and take instructions.
- Drafting IGUA's argument, and reviewing the arguments of others (including EGI's reply). Actual argument work included in the enclosed Statement of Costs totalled 18.8 hours or \$6,204 worth of time (prior to HST) (see docket entries in supporting material from March 1 through March 20, 2020).
- Reviewing and drafting submissions on the Draft Rate Order (DRO) (in accord with IGUA's submissions in the case and the Board's decision), reviewing the Board's decision on the DRO and briefing IGUA and its affected members on the outcome of the rate order process.

We hope that this information is of assistance in the Board's assessment of the submitted claim for costs.

Yours truly,

Ian A. Mondrow
