Counsel for VECC

Ms. Kirsten Walli
Board Secretary
Ontario Energy Board
P.O. Box 2319

Dear Ms. Walli:

**Re: Notice of Hydro One Networks' 2009 Uniform Transmission Rate
Adjustment Application OEB File No. EB-2008-0113**

**Participation and Funding Request of the Vulnerable Energy
Consumers Coalition (VECC)**

Intention to Participate

VECC's Participation

As Counsel to the Vulnerable Energy Consumer's Coalition (VECC), I am writing, per the Board letter of June 20th, 2008, to a) indicate VECC's intention to participate in EB-2008 and b) request funding for my client's participation.

VECC participated in the rate proceeding that identified the adjustments that necessitate the current application and as such have a continuing interest in ensuring that Hydro One's transmission rates are appropriately calculated and implemented.

Cost Awards

Request for Award of Costs

VECC requests that it be awarded costs for its participation in this proceeding and believes that, as a coalition representing the direct interests of consumers, it

meets the eligibility criteria set out in the Ontario Energy Board's Rules of Practice and Procedure (Section 41) and its Practice Direction on Cost Awards (Section 3.03).

Interests Represented

VECC is a coalition of groups that represents the interests of those energy consumers who, because of their household income, or other distinguishing characteristic such as age, literacy, etc, have a set of concerns that may differ in kind, and, in magnitude, from those of other residential consumers as well as commercial and industrial consumers. The Vulnerable Energy Consumers Coalition (VECC) is currently comprised of the Ontario Coalition of Senior Citizens (OCSCO), and the Federation of Metro Tenants Association.

OCSCO is itself a coalition of over 120 senior groups, as well as individual members, across Ontario. OCSCO represents the concerns of over 500,000 senior citizens through its group and individual memberships. OCSCO's objective is to improve the quality of life for Ontario Seniors.

The Federation of the Metro Tenants Association is a non-profit corporation composed of over ninety-two affiliated tenants associations, individual tenants, housing organizations, and members of non-profit housing co-ops.

Although the organization is not itself a member of VECC, the Public Interest Advocacy Centre (PIAC) in Ottawa assists in the representation of the interests of vulnerable consumers by ensuring the availability of competent representation and advice to the VECC participation.

Access to Other Sources of Funding

As noted in PIAC's letter of July 14, 2004 on the matter of Stakeholder Participation in the Board's regulatory policy development processes, there are two types of customer and public interest organizations:

- Those that are member sponsored and can allocate a limited amount of staff resources paid out of membership fees to respond to the economic or political interests of their members and
- Public interest groups that are not generally member funded or do not have funds available for tribunal interventions,

VECC is in the latter category and uses the Public Interest Advocacy Centre to provide and co-ordinate the representation of its interests. VECC's constituent organizations, which consist of over one half million members, belong primarily to seniors and tenant groups. In order to provide meaningful and informed

comment on the issues on which the Board is seeking input, VECC must either ask its counsel, consultants and advisors to undertake pro bono work or not participate at all, unless cost recovery is available through the Board's cost award process.
