Dear Ms. Long,

**Re: Ontario Energy Board June 3, 2020 Letter
Consultation on Implementing the Process for Enabling Customers to Opt Out of
Time-of-Use Pricing
Ontario Energy Board File No: EB-2020-0152**

On June 3, 2020, the Ontario Energy Board ("OEB") issued a letter regarding the commencement of a consultation to inform the development of amendments to the Standard Supply Service Code and other regulatory instruments as required in order to implement a new opt-out mechanism for consumers on the Regulated Price Plan who pay time-of-use ("TOU") prices. This initiative would allow those TOU customers to opt out of TOU pricing in favour of tiered prices starting November 1, 2020.

Pursuant to the OEB's letter, ENWIN Utilities Ltd. ("ENWIN") writes to inform the OEB of its intent to participate in the above noted consultation.

All correspondence related to this consultation should be addressed to:
