Dear Ms. Walli:

**Re: Consultation on the Process for Enabling Customers to Opt Out of Time-of-Use Pricing
Toronto Hydro-Electric System Limited – Notice of Intent to Participate
Ontario Energy Board File Number: EB-2020-0152**

On June 1, 2020, the Ontario Provincial Government announced that it intends to introduce customer choice for consumers on the Regulated Price Plan who pay time-of-use (TOU) prices, allowing them to opt out of TOU pricing in favour of tiered prices starting November 1, 2020. On June 3, the OEB initiated a consultation to inform the implementation of any needed rules and regulatory amendments to ensure the timely, efficient and effective implementation of this new opt-out mechanism.

By way of this letter, Toronto Hydro notifies the OEB of its intention to participate in the consultation, as well as its interest in joining the TOU Customer Choice Working Group. Toronto Hydro will provide a specific nominee for the Working Group following the consultation session on June 9th, 2020, which it expects will further clarify the scope of the working group activities.

Please direct all correspondence, including any concerns with the above, to the email address regulatoryaffairs@torontohydro.com.

Respectfully,
