Dear Ms. Long:

**Re: EB-2020-0152: Consultation on Implementing the Process for Enabling Customers to Opt Out of Time-of-Use Pricing**

Canadian Niagara Power Inc. ("CNPI") and Algoma Power Inc. ("API") intend to participate in the above-noted consultation.

We would also like to participate in the working group, and note that we provide billing services to two other LDC's (Westario Power Inc. and Grimsby Power Inc.). As such, our participation on the working group would provide perspective for multiple LDC's.

Sincerely,
