DECISION AND ORDER

Hudson Energy Canada Corp. (Hudson Energy) filed two applications on March 31, 2020 with the Ontario Energy Board (OEB). One application, filed pursuant to section 60 of the *Ontario Energy Board Act, 1998* (OEB Act), is for renewal of Hudson Energy's electricity retailer licence, and the other, filed pursuant to section 50 of the OEB Act, is for renewal of Hudson Energy's gas marketer licence. Both licences are to expire on July 22, 2020 unless renewed.

The OEB combined the applications into one proceeding, under section 21(5) of the OEB Act. This Decision and Order is being issued by the Delegated Authority pursuant to Section 6 of the OEB Act. The Delegated Authority has considered the applications without holding a hearing pursuant to section 6(4) of the OEB Act.

Hudson Energy's applications for renewal of its electricity retailer and gas marketer licences are granted. When evaluating applications for an electricity retailer and gas marketer licences, the OEB focuses its consideration on the requirements set out in Ontario Regulation 90/99: Licence Requirements - Electricity Retailers and Gas Marketers (Regulation). The record in these cases indicates that Hudson Energy has met the requirements set out in the Regulation.

IT IS ORDERED THAT:

1. The application for an electricity retailer licence is granted, on such conditions as are contained in the attached licence.
2. The application for a gas marketer licence is granted, on such conditions as are contained in the attached licence.
