Re: Request For Extension In Filing Responses To Interrogatories EB-2019-0041

Hydro 2000 Inc. ("H2000") has been working diligently to complete its responses to Board Staff and VECC Interrogatories; however, H2000 was not able to meet the June 10, 2020 deadline. Having reviewed the status of the work still outstanding, H2000 is confident that it will be able to complete and submit its responses by end of day June 12, 2020.

H2000 regrets any inconvenience that this delay may cause and appreciate the Board, VECC's understanding in this matter.
